Tere Michaels : Who Knows the Dark before purchasing it in order to gage whether or not it would be worth my time, and all praised Who Knows the Dark:

0 of 0 people found the following review helpful. Dark, Moody M/M post-apocalypticBy L.S.F3.5I loved book 1 of this series and enjoyed finding out what happened to the characters. Compared to Who Knows the Storm, this wasn't as tight or propulsive. There are several revelations but a lot is clearly being saved up for the final volume, which I suppose adds to the overall sense that this is definitely a middle book. There are several added POVs and the changes in locations create a kind of narrative cul de sac as the characters run away from and then back to a ruined New York, leaving the South Carolina sections feeling a little like a dead end--especially for Nox who (understandably) seems to lose much of his identity away from the streets he prowled for so long. Still, I continue to LOVE the post-apocalyptic setting and the characters, Cade most of all, who really comes into his own here, so I will definitely be looking out for book three, where hopefully all will be revealed!0 of 0 people found the following review helpful. Well doneBy Laura WatsonNicely paced with well developed secondary characters. The relationship between main characters Nox and Cade progresses nicely. I was a little disappointed about where the story ended. Hopefully there will be a book three to rectify that.0 of 0 people found the following review helpful. Great sequelBy mikeyIt takes the story to all new exciting levels. A must read. Characters are strong as well as the plot that just keeps getting thicker. Can't wait till the follow up.

The Vigilante: Book Two A wanted man after the destruction of the Iron Butterfly Casino, Nox Boyet must flee the island of Manhattan?the only home he's ever known. Together with Cade, Sam, and the rest of their ragtag group, Nox must find a place to hide from the District Police and the violent group of unknown drug dealers on his tail. The solution?the Creel family farm in South Carolina. But home isn't quite sweet for Cade, the prodigal son. As Cade struggles with his own secrets, shadows of the past threaten not only Nox's life, but his relationship with his son, Sam. Nox knows there will never be peace unless he finds the answers to all his questions?and the answers lie back on the island. Cade and the others must choose their paths?find safety or follow the Vigilante into the darkness of the city? The city where Nox will come face-to-face with the past.
