**Todd E Adams : Winds of Aerathiea (Chronicles of Aerathiea) (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Winds of Aerathiea (Chronicles of Aerathiea) (Volume 1):

0 of 0 people found the following review helpful. A Grand AdventureBy bingo maloneA fantastic adventure that takes you to the center of the hollow Earth filled with mystical creatures and lively characters. Plot twists and surprises along with characters that you can relate to help make this book a quick enjoyable read. The author has created a well thought out world that gives the characters plenty of room to explore. The writing is descriptive yet efficient. You will not find yourself bogged down in long winded technical explanations, but the characters tell the story of the technology and histories of this world. The sum of this novel is that it is a grand adventure inside the Earth and I can't wait to find out what happens next.0 of 0 people found the following review helpful. Give it a try.By Becky SloneI am usually not a big sci-fi person, but I this book is very good. It held my attention and has a lot of different storylines to keep me interested. I am looking forward to reading the next book.0 of 0 people found the following review helpful. I really enjoyed reading this bookBy CLIFFI really enjoyed reading this book. A blend of science and fantasy. I am looking forward to a Book Two.

The Winds of Aerathiea The first volume in the new epic fantasy series, The Chronicles of Aerathiea. Young Liam Waite has already survived the unspeakable horrors of living in a post-apocalyptic St. Louis. Nothing could have prepared him when a mysterious airship burst from the sky one October morning and asked for him by name. From there, he is whisked into a world he is utterly unprepared for and is made to answer for the sins of his parents.
